### Guysott's Yellow-Dock & Sarsaparilla

Is NOW PUT UP IN THE LARGEST SIZED BOT-TLES, AND IS ACKNOWLEDGED TO BE THE BEST SARSAPARILLA MADE, AS IS CERTIFIED BY THE WONDERFUL CURES IT HAS PER-FORMED, THE ORIGINAL COPIES OF WHICH ARE IN THE POSSESSION OF THE PROPRIETOR. REMEMBER, THIS IS THE ONLY TRUE AND ORIGINAL ARTICLE.

Scrofula, Syphilis, Mercurial Complaints, Cancer, Gangrene, Rheumatism, and a vast variety of other diseases, are speedily and perfectly cured by the use of this medicine.

### Read the following Certificates.

TALLAPOOSA, Co., Ala., Jan. 2, 1852.

DEAR SIR: I send you this to certify to you that
your extract of Yellow Dock and Sarsaparilla has
performed one of the most wonderful cures on me

that has ever been effected on man.

I have been afflicted for forty years with eruptions on my legs and feet; in 1848 they got so bad that I had to go on crutches, and in 1849 I had one leg amputated above the knee. In about nine months after my other leg broke out in large eating and running sores from my knee to my foot, and discharged a great deal of offensive matter. My groin also broke out in large biles, which discharged much offensive matter, and at the same time my left hand broke out in large running sores nearly

The misery that I have suffered for the last two years I cannot describe to you. I was in such agony that I never rested day or night.

ny that I never rested day or night.

In October last my son brought me one of your bottle wrappers; I read it, and found recorded some wonderful cures performed by your "Extract of Yellow-Dock and Sarsaparilla." I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all became easy, and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had nearly all healed. My sores got well as if by enchantment. I have now used in all eight bottles of your "Extract of Yellow-Dock and Sarsaparilla," and I now consider myself well.

I entrent all of the afflicted to try this medicine, for I believe it will cure any known disease in the world. Lay aside all prejudice and just try it, and proclaim its great worth to suffering mankind, and entreat them to take it, for it will cure them.

My case is well known in a large portion of South

Carolina, Georgia and Alabama, and if any should doubt the above cure, I invite them to call on me, and I will show them the scars. I can be found in Tallapoesa Co., Alabama, one mile from Stoe's RENAJAH HUGHES. The Yellow-Dock and Sarsaparilla is peculiarly adapted to females of delicate health, resulting from

irregularity of menstrual discharges, and other dissee peculiar to their sex. The proprietor has in his possession a great number of certificates of cures performed of the above description. We assure the afflicied, that a bottle or two of Dr. Guysott's Extract of Yellow Dock and Sarsapatilla will at once regulate those difficulties and renew the natural energies.

BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION. Many years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its triends. Nothing but its intrinsic virtues and the unmistakeable benefit conferred on thousands of sufferers, could origin ate and maintain the reputation it enjoys. While many inferior remedies, thrust upon the community, have failed and been disearded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten While it is fraud on the public to pretend that my eno medicine will intallibly cure-still there is

abund at proof that the CHERRY PECTORAL dovs

not only, as a general thing, but almost invariably cure the maladies for which it is employed. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American Peasant, to the palace of European Kings. Throughout this entire country, in every State, city, and indeed almost every hamlet it contains, CHERRY I ECTORAL is known as the best remedy extant for diseases of the Throat and Lungs; and in many foreign countries it is coming to be extensively used by their most intelligent Physicians. In Great Britain, France, and Germany, where the medical sciences have reached their highest perfection, CHERRY PECTORAL is introduced and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending Physicians can employ for the more dangerous affections of the lungs. Also in milder cases, and for children, it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found is efficacious in cases particul rly incidental to child-
